# Manchester Police Athletic League Footrace for the Fallen 5K

*Race Director*  
Officer Ryan Hardy

On October 2, 2022, the Manchester Police Athletic League and Manchester Police Department will host the 16th Annual Footrace for the Fallen 5K memorial road race. This event honors the memory and sacrifice of Manchester and all New Hampshire police officers killed in the line of duty.

Proceeds from the race directly benefit the Manchester Police Athletic League (MPAL), which works to build positive relationships between at-risk youth and members of the Manchester Police Department by offering free programming geared toward teaching responsibility, discipline, respect and community. MPAL strives to create healthy, confident and productive citizens. For more on the Manchester Police Athletic League visit us online at <https://www.manchesterpoliceathleticleague.org>.

This race has encountered growing success since its inception. We anticipate approximately 900 participants this fall. We and our volunteers work very hard to put on a high-quality event that bring participants back year after year.

However, our success also depends on the generosity of our sponsors. In return, sponsors are recognized on any number of mediums that celebrate their commitment to the community. Our sponsorship packages can be customized to meet your needs.

Any donated amount will perpetuate the continued success of the race and help ensure at-risk youth have a safe haven that fosters good health, personal growth and community service. The Manchester Police Athletic League is a registered 501(c)3 non-profit with the State of NH and our tax id number is available should you need it for your records.

Please consider sponsoring this event and feel free to contact us at any time if you require any additional information. We also encourage you to view more race information and photos of past events at <https://www.facebook.com/FootraceForTheFallen>.

We greatly appreciate your time and consideration.

Sincerely,

Officer Ryan Hardy
